

Privacy Policy – Quick Test

This privacy policy explains how we use any personal information we collect about you.
This privacy policy was updated on 25 May 2018

What information do we collect about you?

We collect information about you when you request information from us or place an order for products or services.

How will we use the information about you?

We collect information about you to:

- Process your order
- Manage your account
- Contact you regarding calibration of equipment purchased from us

No information is disclosed to any third party other than administrative / accountancy services

Marketing

We may provide relevant information updates and related product information.
Please contact us if you do not wish to be contacted about relevant information updates and related product information.

Access to your information

You have the right to request a copy of the information that we hold about you.
You may ask us to correct or remove information you think is inaccurate.

Cookies

We do not use cookies on our website.

Other websites

Our website may contain links to other websites. This privacy policy only applies to our website so when you link to other websites you should read their own privacy policies.
